## Builder Declaration

As the builder of the above project I / we confirm that the project has reached a state of practical completion and that:

1. The work is complete except for any omissions or defects that do not prevent the work from being reasonably capable of being used for its intended purpose;
2. (Where the work was undertaken under a building contract) The final invoice for monies due under the building contract has been issued to the owner/developer; and
3. I/we authorise SICorp to advise the homeowner/developer that practical completion of the project under the Home Building Act 1989 has been reached.
